# 1 Plan, Design and Build a Website

Hello Brendan,

With this file you received a zip that contain the sources for the Sintoni project.

- **The presentation** can be reached in

  http://sintoni.ga/presentation/index.html

  Or you can download the presentation and the sources at

  http://sintoni.ga/presentation/presentation.zip we couldn't upload it to

  moodle as it contains a video and is too large.

  It will work on firefox, but the animations will not be as smooth (a bug on

firefox itself), so Chrome is recommended.

- **All the project** is hosted on http://www.sintoni.ga

  and you can see the pages using the menu.

- **To see the admin part** of the project you can access

  http://www.sintoni.ga/admin.php
  Or in public_html/admin.php your version is not password protected as the

hash and salt is done on the server. But you can see how the admin part behave.

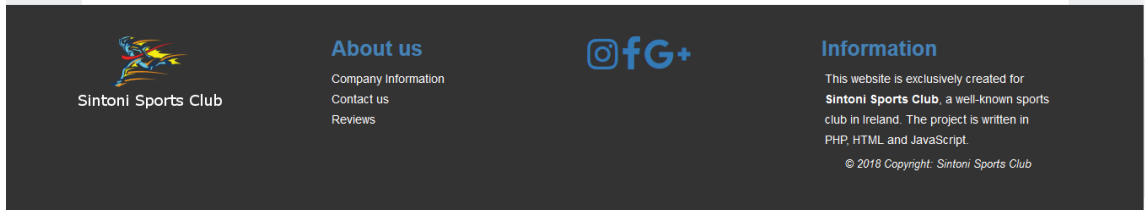

Best Regards,

Group 2:

Fernanda Rodrigues, Henrique Rodrigues, Myo Thet, Victor Mari

While they missed out on a bronze medal, the underdogs surprised fans when they became one of the most inspirational stories surrounding Team Scotland. The Scots beat England, Cameroon and India in the group stages at the Gold Coast, before overcoming Nigeria to line up against hosts Australia, ranked 10th in the world.

## Nick Matthew relishing his final moment in the spotlight as the best British squash player of his generation

Squash

Nick Matthew was sitting in a cafe with his friend and fellow Sheffield local Jessica Ennis-Hill a few months ago when something almost unheard of happened. Accustomed to slipping into his role as photographer for fans eager to have their picture taken with the nation's queen of track and field, Britain's greatest squash player for a generation was taken aback to find that he was in fact the focus of attention.
